Hamilton:

I wanted to write a quick note of "thanks" for the work that you and your company provided at my new house on Rockingham. Your company's professional technicians and mechanics replaced my first floor system and associated ductwork as scheduled, which was critical with our remodeling work. Our system is well-balanced, and we are enjoying our heat now that winter is finally here!

I would recommend your services to anyone in the upstate who may need repair work or new equipment installed in their home or office. Thanks again, and best of luck to you and your company in 2008!

Sincerely,

John Uprichard
